

Flat River Outreach Ministries Prayer Requests

- Praising God that every single time we've run out of milk or run low on vegetables—and wondered where to get more—God has provided big time, usually in the form of an in-kind donation.
- Pray that our food orders continue to be delivered. Delivery has been delayed by several of our business-to-business relationships.
- Pray that our staff would all stay healthy. Our pantry is being run by staff and we're a very small team!
- Pray for our Program Participants: many of them are struggling financially and emotionally. Pray that God would be with them and comfort them. Pray that when restrictions are lifted that they are able to go back to their jobs.
