## ARMOR OF GOD PRAYER

*God, thank you for your mighty armor. Please help me stand firm and not live in fear of the enemy. May I fix my eyes on you, the author and perfecter of my faith. I put on the belt of truth to combat lies and partial truths that make me question you. I put on the breastplate of righteousness to guard my emotions, self-worth and trust in you. I am ready to share the Gospel of peace with my shoes on. I take up the shield of faith to extinguish insults, setbacks and temptations. Thank you for the helmet of salvation to protect my mind and remind me nothing can separate me from your love. For I am saved by grace through faith. As I open the sword of your Word, increase my trust in you as I carefully wield its power. In Jesus's mighty name, Amen.*
